In Memoriam.—Eugenia S., daughter of Nancy and Nathaniel Scales, who had been for long months a patient sufferer under disease which medicine and the choicest care could only soothe, not heal, in the early hours of Thursday last passed hence to the health and happiness beyond.

Of more than usual endowment in all the graces that adorn a woman, and that rare gentleness that challenges regard and even in death leaves fadeless memorials to guard and guide those whose path lies through the sun-pain to the same abundant entry upon life immortal, the change came in her as it comes when the giveth his beloved sleep.
